

PRESS RELEASE

For Release May 1, 2018

Cora Heffner

The Clark County Fiscal Court Fund Committee has announced its giving plan for 2018. Any nonprofit organization serving Clark County is eligible to apply.

Applications will be available June 1 online at <http://www.clarkcoky.com/>, <http://teach.clarkschools.net/Depts/CommEd/>, <https://www.bgcf.org/clarkcounty>,

and at the Clark County Judge Executive's office in the Court House, as well as distributed via the Clark County Human Services Council listserv, Chamber of Commerce newsletter, and the Mayor's e-line. They are due back by 4:00 p.m. on August 1, 2018, and must be delivered in person to the Judge Executive's office.

Applications will be disqualified if not hand delivered by the date above – no other method will be accepted: no email, no fax, no US Mail. Requesters must sign and date the sign-in sheet in the Judge Executive's office as proof of delivery.

A Grant Report Form is included with the application, for agencies who received funding in September 2017 to report their expenses to date.

The Fiscal Court Fund Committee will review the applications in August and September, meeting with any requesting organizations as they determine necessary. Their findings will be presented to the Fiscal Court in September and grants will be awarded no later than November 1, 2018.

All grantees will be required to complete a Grant Report Form near the end of the funding period. This will help determine funding for the next grant year.
